

***20 Years – An Anniversary Show***

**Opening:** Fri, 13 September 2024, 6 – 10 pm

**Exhibition:** 13 September – 16 November 2024

*20 years of exhibitions*

*20 years of dialog*

*20 years of journey*

*20 years of creating spaces*

*20 years of meeting great people*

*20 years of shaping visions*

We are lucky that we have been able to share these 20 years with you, that you have embraced our way of making art visible, that our visions have also become yours, and that you have gone along with us every step of the way and are now celebrating Berlin and Venice with us.

Art is such a meaningful way to reflect and create a dialog. And this is exactly what our anniversary exhibition is all about. All gallery artists enter into a dialog with one of their works and self-selected partners who react to the respective artwork. The works and commentaries are cross-genre; they open up new perspectives and approaches; they look at art from other perspectives. They express what moves you, us, and our environment.

*20 years of dialog - 20 years, a celebration*
